

Tree Troubles?

You need a permit!

A Tree Removal Permit is required to remove a tree (or cut more than 30% of any tree) that has a diameter (DBH) that is equal to or greater than 5 inches.

Does it apply to dead trees on my property? Yes. Permits are required for the removal of healthy trees, trees in poor condition, or dead trees.

How can I get a tree removal permit application? Go to the Department of Public Works (DPW) webpage and click on link for 'trees.'

<https://chnj.gov/1161/Trees>

Where do I submit application? DPW at 1 Perina Boulevard, Cherry Hill, NJ 08003 or email to trees@chnj.gov

Is there a Cost? There is no fee for residential tree removal applications! Commercial tree removal applications are \$100.

For more information: contact (856) 424-4422 or trees@chnj.gov

Failure to receive tree removal permits may result in a municipal court summons and fines for both the property owner and the tree removal contractor.
