A MESSAGE FROM MAYOR DAVE FLEISHER

Dear Neighbor,

Cherry Hill is on the move! We are getting things done, and are committed to bringing our community together.

Getting Things Done: My administration remains committed to public safety, fiscal responsibility, providing high quality services, and delivering for our neighborhoods. Our police department has conducted more than 9,370 directed patrols in our neighborhoods, parks, and school zones. We've repaired potholes, cleaned and repaired storm inlets, and upgraded ADA ramps. We are expanding services with the introduction of a Senior Services Coordinator focused on assisting our seniors and leading initiatives tailored to their needs. We are steadfast in our commitment to fiscal responsibility and I am pleased to report that Cherry Hill has maintained a AAA bond rating, the highest rating a municipality can receive.

Bringing Community Together: We are seeing record-breaking attendance at our community events. Al Fresco Affair on Thursday, August 28 at Croft Farm rounds out our summer programs. The fall season offers even more opportunities to connect as a community. Whether that be at our Senior Festival (Sept 12), Harvest Festival (Oct 19), Winter Festival (Dec 7) or one of our many other events in these coming months. Check the following pages or our website for our full line-up of fall activities.

I am grateful for the privilege to serve as your Mayor, and work with our residents who make Cherry Hill so special. We have much to look forward to in the remaining months of 2025. I hope you enjoy everything Cherry Hill has to offer. See you soon!

Your Mayor,
Dave Fleisher

CAMDEN COUNTY

HOME IMPROVEMENT PROGRAM

Income eligible homeowners may be eligible for a 0% interest, deferred payment loan program which provides qualified applicants with funding for needed home repairs. Eligible work items include things such as: exterior, interior, roof, siding, windows, heating systems and electrical systems.

The program may not be used for room additions or upgrades.

(Roof, HVAC & Handicap Ramps are forgivable after 10 years)

How does the program work?

If an applicant is deemed eligible, their project is assigned to an approved contractor. Staff monitors all work to ensure it is done correctly and within the guidelines of the program.

What does it cost?

Projects will result in a 0% interest loan in the form of a lien placed on the property. With this lien, no payments are required until the time of sale or a change in ownership.

Who is eligible for the program?

Homeowners must reside within one of the eligible municipalities and the household income must be lower than the income limits below.

Eligibility Based on Family Size & Household Income

1	2	3	4	5	6	7	8
\$66,850	\$76,400	\$85,950	\$95,500	\$103,150	\$110,800	\$118,450	\$126,100

Note: Due to program interest, homeowners may be added to a wait list before they can apply to the housing rehabilitation program.

5 HOUSEHOLD HABITS TO PREVENT STORMWATER POLLUTION

Stormwater is the water that flows into our drains. Any chemicals, debris, or pollutants it picks up along the way can get into the water we use to swim, fish, and produce fresh drinking water.

VEHICLE WASTE

Clean any spills from vehicle maintenance, and wash your vehicle on grass to prevent runoff into drain

LAWN MAINTENANCE

Use pesticides and fertilizers sparingly and sweep up yard debris so it doesn't get blown down the drain

HOME IMPROVEMENT

Protect storm drains before starting any home improvement projects, and clean up all debris immediately

GARAGE WASTE

Clean spills with an absorbent material like kitty litter or sand, and recycle vehicle oils at a participating service station

GARDEN MAINTENANCE

Plant native plants in your yard since they require less water, fertilizers, and pesticides

REMEMBER: ALL STORM DRAINS CONNECT TO OUR WATERWAYS
